# David Lawandi

**Senior Building Management Coordinator.** Egyptian Australian. Veteran healthcare professional. VFL superstar. Manages your building.

The definition of a true altruist, David has lived the best part of his life assisting and educating others. Spending time as a swim instructor in rural Victoria, David spent his early 20's teaching underprivileged children safety around water. Having moved back to Melbourne and quickly identifying a commitment to health, David's career pivoted, seeing him spend the next 20 years as a theatre technician for Melbourne's major hospitals.

His longstanding career in the health sector has built an enviable skill set. With a keen eye to detail, and dedication to excellence, David oversees the day-to-day operations of the Property X Building Management division.

Having come from humble beginnings, David understands what it means to work hard. His detail in coordinating, and his hands-on approach gives our clients the confidence knowing their biggest assets are in safe hands.
